

Remarks:

Claims 9 and 11, 12, and 14-15 remain in this case claim 15 having been added by this Supplemental Amendment.

New claim 15 is the same as previously present claim 9, which has been indicated as allowable, except that limitation 15.d. reads "a first convex curved surface on the side wall above the frustoconical bevel surface", thereby eliminating the "second convex curved surface". The Applicant respectfully asserts that this claim is also allowable and requests early allowance.

The fee for the additional independent claim is enclosed.

Respectfully submitted,
